limalimo lodge

At Limalimo Lodge we are ready to welcome you back: come and enjoy the great outdoors of the Simien Mountains from the tranquil setting of the Lodge. As always, the safety and wellbeing of our guests and staff is our priority and we have made several changes in light of COVID-19 to make your stay with us both safe and relaxing. If you have any specific questions or requirements please do [get in touch with us](#).

We encourage social distancing between all guests from different groups and staff. We ask that everyone remains 2m apart and wear masks in shared spaces wherever possible.

Hand sanitiser is available for guests at several convenient places around the lodge.

As always all guests should keep a safe distance of at least 5m away from all wildlife.

Sanitiser is used in rooms, which – wherever possible – are left empty for at least 24 hours between guests.

In addition to our regular thorough cleaning, sanitiser is used on all high contact areas. In shared spaces this will be done every 30 minutes when there are guests.

Before any guest luggage is handled staff will sanitise their hands and the handles of the luggage.

Meal times are pre-booked to ensure our restaurant does not become crowded.

There are no buffets – breakfast is ordered from a menu and lunch and dinner are both served plated.

As always, if guests prefer to dine or enjoy drinks in the privacy of their rooms this can be arranged.

All staff wear face masks.

Staff have been trained in increased hygiene practices.

The kitchen work surfaces and high touch areas are regularly sanitised.

Our staff work in bubbles wherever possible.
